

Hands come in all different shapes & sizes.

The EXF System™ narrows down your selection so you can find the EXactFit™

To use:

1. Place right hand on form with base of hand securely at bottom.

2. Choose between width and length.
- a. If your hand is wider than long, go with width size recommendations.
 - b. If your hand is longer than wide, go with length size recommendations.

LENGTH

X LARGE	XL/10
LARGE	L/9
