

Ironcat® Insulated Top Grain Reverse Deerskin MIG Welding Gloves

Deerskin glove provides the softest and most comfortable glove for MIG welding. Additional foam lining on back of hand protects against heat while reinforced straight thumb minimizes abrasion. 4" cuff protects hands and lower arms from burns.

Features and Benefits:

- Kevlar® thread protects seams from sparks
- Foam lined back of hand for heat protection and unlined palm for dexterity
- Deerskin provides optimum balance between comfort and heat protection

Applications:

Steel Mills, Shipyards, Manufacturing, Automotive, Gas Welding, Torch Work
